Itinerary

- The first stop of this tour is the Mele Cascades Waterfall, where you can jump in for a swim in clear natural rock pools, or walk through to explore the caves.
- After climbing up and down, it's time to enjoy the Chinese style BBQ lunch at our Customer Center (Hideaway Base).
- After lunch, you have an optional activity (pay on site) to jump on our ATV and drive along the Black Beach Coast. If time allows, you just ask our staff to ride you to the mountain top, where you can drive along the tropical road and have panoramic view of Hideaway Island.
